

Drill

3 Yards

Drill may be started at ready gun or from the holster.

Position the paper in any direction you would like and change the position of the paper when repeating the drill.

Fire 1 round to each circle; follow the arrow to the next circle. 10 rounds total.

The purpose of the drill is to try to be able to remain threat focused and follow the arrows.

This represents a target that is continuously moving.

Movement to a target that is not in the correct order is a disqualification.

Par time is 10 seconds
